**RTP Glass & Surface Cleaner, Ready to Perform Cleaner**, is a quick and easy solution to all your cleaning needs. Just point and clean! No mixing, no measuring required.

This product is specifically designed for fast penetration of soils on glass, windows, fixtures, and stainless steel surfaces. Removes soils without smudging or smearing. Easily removes smoke film and grime from kitchen windows and automotive windows.

Simply spray on and wipe off for a sparkling surface! For heavily soiled areas, a second application may be required. Perfect for stainless steel applications. Just wipe with a clean cloth, turning often. Leaves a clean, streak-free surface.

Please refer to MSDS for proper Personal Protective Equipment when using this product.
