

Attention all:

On **November 13, 2010**, Shamrock Foods of New Mexico named ProClean Manufacturer of the Year for the *Second* year in a row! The announcement was made during the Shamrock 3rd Annual Family Reunion Awards Banquet, held at the Hard Rock Hotel & Casino located in Albuquerque, New Mexico.

The criteria for this award include company commitment to Shamrock, the community, dedication to quality, company growth, and innovative systems and products. But that's not all... They also took into consideration the leadership role of the Shamrock dedicated Representative *Dan Buser*, sales promotions and training opportunities.

We are honored by this recognition, as it demonstrates the team's outstanding efforts in *Getting Great!* Please join me in congratulating our New Mexico Sales and Service team for such grand accomplishment in setting the bar at a higher level of customer service.

Regards,

Mark LeBrun

Executive Vice President/ GM
