

***Shop Local  
Create Jobs  
Promote a Sense of Community***

*“For every \$100 spent in a locally owned business, \$45 remains in Arizona.”*

*“For the same \$100 spent at a chain store, \$13 remains in Arizona.”*

Source: Local First Arizona

*“Shopping at locally owned business recirculates money and creates up to 75 percent more tax revenue to our community and state”*

Source: Local First Arizona

**ProClean Inc. strongly promotes, encourages and practices shopping locally. As a locally owned and operated business for 34 years, we understand the importance of community. We proudly support and are committed to servicing many of the state’s local food service establishments. These establishments are leaders in sustainability, social responsibility and entrepreneurship.**

**Every 1\$ spent in Arizona’s restaurants generates an additional \$.99 in sales for Arizona’s economy.**

**Every \$1 million spent in Arizona’s eating and drinking places generates an additional 26.4 jobs in Arizona**

**If people and companies shift 10 percent of their spending towards local businesses, that shift would create 1,600 new jobs and \$15 million in new local wages.**

**Supporting local, independent business not only keeps more money in the area, it promotes a sense of community and enriches our culture.**
