

# ProClean High Temp Grill Cleaner

Fast acting grill cleaner quickly removes grease and grime from flat top grills.

## Power Through Grease for a Quick and Easy Clean

- Cleans grills at 350° F so no need to wait for cooling
- Removes baked on food and grease
- Powerful formula strips grease buildup in 60 seconds
- No rinse needed

## ProClean High Temp Grill Cleaner

is a powerful grill cleaner formulated to remove baked-on carbon and grease without cooling your grill. This fast working flat-top grill cleaner can strip grease buildup in just 60 seconds.

### Notes:

Flat-top grill must be hot when cleaning. Always wear protective equipment. Applying cold water or large amounts of water can severely damage the grill.

### Directions:

1. Turn off grill and scrape to remove the burnt-on soils.
2. While grill is hot, apply a thin coating of ProClean High Temp Grill Cleaner over entire surface and let sit for one minute.
3. Gently scrub grill with grill pad.
4. Squeegee product soils into the grease tray.
5. Wipe grill clean and re-season the grill.
