

ProClean Liquid Warewashing Program

Delivering enhanced warewashing results and reducing dry times by up to 25%*

Clean Dishes. Clear Satisfaction. Everyday.

A Versatile, Performance-driven Program to Remove Soils

- Hard-working solutions tackle your specific challenges - from managing diverse water conditions to removing tough food soils and stains.

Warewashing Efficiencies to Help Save Time and Labor

- Effective chemistry helps reduce rewash, hand polishing and dry times, while supporting employee compliance.

Consistently Clean Dishes to Satisfy Guests

- Clean, clear dishes and spotless glassware promote confidence in your staff and enable positive guest experiences.

*Ecolab internal study, 2022 comparing TRUPOWER Heavy Duty Rinse Aid against Ultra Dry

A warewashing program tailored to your kitchen priorities

Kitchen Priorities and Conditions	All Purpose program	Heavy Duty program*
Standard Food Soils and Water Conditions	✓	✓
Fast Dry Times	✓	✓

Improved Food Soil and Stain Removal		✓
Hard Water and High TDS Water Conditions		✓
Superior Dry Times		✓
Best Performance on all Wares and Plastics		✓

*In comparison to ProClean All Purpose Program

A warewashing program built to power simple and productive operations

Brand Protection

- All Purpose and Heavy Duty detergents help suspend and remove food soils to reduce film on wares
- Specially formulated chemistry helps reduce surface rust and equipment maintenance needs

Operational Productivity

- Total program drives labor efficiencies through reduced hand polishing and rewash
- High-performing rinse aids help improve sheeting and reduce dry times
